UNIVERSITY OF NORTH TEXAS AT DALLAS

Recommended Course Sequence AY 2023-2024

This document does not constitute an official degree plan, but rather serves as a tool for 4-year degree planning with an academic advisor. Copies of an official degree audit and transcripts are also useful documents for degree planning. Given UNT Dallas allows students to register in courses for multiple terms within the academic year, this document also supports multi-term course scheduling. Students should always confirm their course selections with an academic advisor to avoid taking unnecessary repeated courses and/or courses that do not meet financial assistance requirements

RECOMMENDED COURSE SEQUENCE NOTES

15 credit hours per fall and spring semester or 30 hours over a full academic year is typically required to graduate with a 120-hour undergraduate degree in 4 years.

Plans assume TSI College Readiness requirements have been met in all subjects. All prerequisites must be met for course enrollment. Refer to the Undergraduate Catalog (<http://catalog.untDallas.edu/>) for TSI requirements and course descriptions for all course prerequisites.

¹ Even if summer courses are not listed or recommended, students can use the summer sessions to take courses to continue progress to degree attainment. Refer to the course descriptions of the Undergraduate Catalog for information related to course offerings typical for each term and the posted schedule of classes in myUNT.

² Course meets core and major requirement.

³ This course is full time student teaching. Students cannot take other courses during this term without the written permission of the Teacher Education Program Committee.

⁴ Students must earn at least 120 hours to graduate with this degree. Consult with your academic advisor and an official degree audit to determine if elective credit is needed.

⁵ Advanced BIOL elective – any 3000 or 4000 level BIOL courses not already required for the major.

Recommended courses include: BIOL 3090, 3303, 3304, 3330, 3331, 4301, 4302, 4340, 4360, and BIOC 3300.

⁶ See Teacher Education Program Handbook: <https://teach.untDallas.edu/teacher-education-program-handbook>

⁷ See Clinical Teaching website: <https://teach.untDallas.edu/clinical-teaching>

⁸ Highly recommended by the department, but could be substituted with “Any elective.”
