# **UNT Dallas Budget Overview**

#### **Executive Summary and Highlights**

The University of North Texas at Dallas is the only public, accredited 4-year university in the City of Dallas. UNT Dallas has served as a pathway to socioeconomic mobility since its establishment in 2010. According to a study conducted by the Dallas-based nonprofit ScholarShot, UNT Dallas is number 1 in the State for effectively serving first-generation, low-income students.

We offer our students the most affordable tuition plans in the Dallas region – helping them blaze their trail toward a bachelor's, master's or juris doctoral degree, while minimizing student debt. According to the 2020 U.S. News & World Report, UNT Dallas is number 1 among 112 universities in its classification for least student debt. Our value-based education is accompanied by innovative, high-quality academic programs that include opportunities for rich experiential learning.

UNT Dallas is adapting to the COVID-19 environment and will emerge from the pandemic stronger than before. We will continue increasing enrollment, retention, and graduation rates. UNT Dallas has achieved record enrollment exceeding 4,000 students, with an expectation of growth to 5,000+ students by Fall 2022. UNT Dallas will continue to fulfil our mission to empower students, transforms lives, and strengthen communities while maintaining a balanced budget now and in the future.

#### Revenues

Total FY2021 current funds revenue for UNT Dallas is budgeted at \$76.0m. This is 5% increase over the FY2020 current funds revenue budget of \$72.4m.

#### State Appropriations

FY2021 marks the second year of the FY2020-21 State biennium. Due to the COVID-19 pandemic the State has called for a 5% reduction to General Revenue appropriations in the 2020-21 biennium. This results in a \$1.4m reduction to the State appropriations that are budgeted for FY2021. There was no reduction to the Tuition Revenue Bonds (TRB) appropriations, which provides almost \$8m of support annually for Founder's Hall, Dallas Building 1, and the Student Center debt service. Outside of the bill pattern, UNT Dallas will also be receiving a \$1.2m increase in our HEF allocation.

#### Tuition and Fees

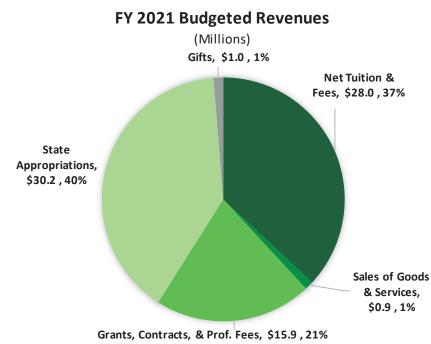

Due to the pandemic, UNT Dallas kept tuition and fee revenue estimates for the FY2021 budget mostly flat to be conservative with the aim of actual tuition and fee revenue being higher with the goal of minimum 4% growth. Prior to the pandemic, goals for growth were 8% and we plan to return to that growth level FY2022 and forward.

## UNT DALLAS

Tuition and fee rates remain mostly flat. The only tuition increase will be for the Fall 2020 entering class of law students. There are a few new fees which have been approved to start in FY2021. These are the athletics fee, graduate orientation fee, and undergraduate matriculation fee. The undergraduate matriculation fee will replace the undergraduate application fee. There will also be an increase to the undergraduate advising fee in order to provide the level of advisor to student ratios that are in line with best practices to help ensure student success.

The College of Law is projecting a slight increase in semester credit hour production with no increases in tuition rates. UNT Dallas College of Law received a record number of applications for the upcoming academic year as it continues its mission of providing quality and affordable legal education at the lowest cost in the State.

Grants and Contracts Faculty and staff are active in pursuing grant funding from Federal, State, and Private sources. This has resulted in funding for new and exciting projects for the campus. For example, UNT Dallas will receive funding for the **Community Youth** Development grant beginning in FY2021. The overarching goal of the CYD program is to provide a vision, framework and holistic plan for students to attain a high school diploma and collegiate degree in order to become active participants in society. This program will allow us to

reinforce our commitment in southern Dallas and fulfill our mission to strengthen communities by creating pathways to socioeconomic mobility.

Financial Aid awards that include PELL Grants and TEXAS Grants provide a large portion of grant revenue. There is also a temporary \$2.7m increase in the grants and contracts category due to planned use of CARES Act funds. This includes \$1m of funding dedicated to students, \$1.5m for institutional support, and \$218k from the minority serving institution allocation.

#### Gift Income

The budget for gift income on current funds is 961k. These gifts will be for discretionary use or restricted for use for a specific purpose depending on the intent of the donor. UNT Dallas has also budgeted to receive \$100k in non-current funds for use on a capital construction project (Ryan Tower). UNT Dallas will also retain some gifts in the UNT Dallas Foundation, including \$600k for use by the Caruth Police Institute in partnership with the Communities Foundation of Texas and the Meadows Mental Health Policy institute.

#### Auxiliary Revenue

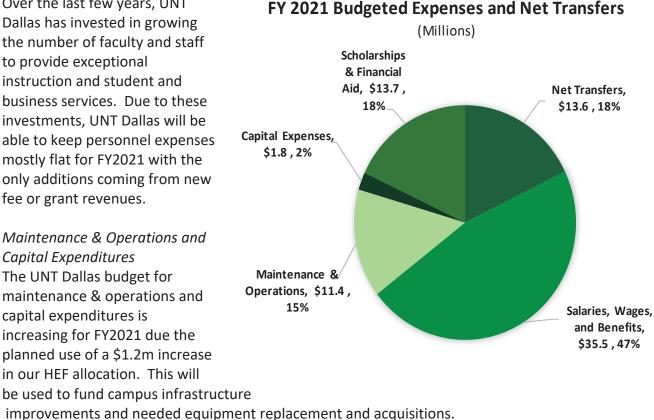

As a result of implementing social distancing safety measures, the FY2021 auxiliary revenue budget is about 40% less than FY2020. It is anticipated that Wisdom Hall will be open at 50% capacity in order to provide each student their own private room and bathroom. We have also factored in a reduction to parking revenue as many employees and students will continue to work and learn remotely during the Fall 2020 semester. It is anticipated that this will be a temporary problem and auxiliary operations will return to normal in Spring 2021 or Fall 2021. Financial Aid awards that include PELL Grants and TEXAS Grants will provide a large portion of grant revenue. UNT Dallas has received increased allocation amounts in both PELL Grant and TEXAS Grant financial aid programs due to the rapid growth of the student body.

#### Expenses

#### Personnel

Over the last few years, UNT Dallas has invested in growing the number of faculty and staff to provide exceptional instruction and student and business services. Due to these investments, UNT Dallas will be able to keep personnel expenses mostly flat for FY2021 with the only additions coming from new fee or grant revenues.

Maintenance & Operations and Capital Expenditures The UNT Dallas budget for maintenance & operations and capital expenditures is increasing for FY2021 due the planned use of a \$1.2m increase

#### Scholarships and Financial Aid

UNT Dallas' strategic initiative to remain one of the most affordable universities in North Texas requires a concerted effort around scholarships and financial aid. In support of this mission, the budget for institutionally funded scholarships was increased to \$2.5m in FY2020 and will remain at this level for FY2021. This provides scholarship opportunities in addition to the funds already set aside for tuition grants. PELL Grants and TEXAS Grants continue to be the largest source of student aid for UNTD students. There is also a temporary increase in scholarship expenses budgeted due to the planned distribution of the remainder of the student portion of the CARES Act funds.

#### Debt Service

Debt service for UNT Dallas is relatively flat to the prior year. Debt services the following buildings on UNTD's campus: Founder's Hall, Dallas Building 1, Student Center, and Wisdom Hall. Every building except for Wisdom Hall is serviced by Tuition Revenue Bonds, in which the debt payments are reimbursed by the State. Debt service is approximately \$8.8m for FY2021.

#### Transfers

UNT Dallas participates in cost-cutting efficiencies through shared services. Costs associated with services provided by UNT System Administration will remain flat for FY2021.

#### Impact to Fund Balances

UNT Dallas is committed to the proper utilization of the scarce resources we are entrusted with by ensuring these funds are spent in the most efficient manner. Our proposed budget for FY2021 is balanced and as outlined in our 5-year plan, we plan to maintain a balanced budget in the years ahead. The University will continue to monitor spending throughout the year and will take measures necessary to ensure the fiscal health of the University now and into the future.
